## PROFESSIONAL EXPERIENCE

### Technology Innovation Fellow – Community Development

[At Kerala Startup Mission . December 2018 – April 2020](#)

<https://sites.google.com/startupmission.in/fellowship-yadev>

As a Technology Innovation Fellow at KSUM, I worked on bringing up the young innovators and improve their skills using developer communities. Some notable programs were:

#### IDEA FEST 2019

- 1800+ applied teams
- 150+ finalists
- 30+ projects funded & Supported

#### INSPIRE 2019

- 5 regions, 10 campuses
- 500+ students impacted
- 10+ teams under mentoring

### Intern

[Fullstackengineering.ai . December 2019 – February 2020](#)

Fse.ai is a startup, working towards creating the next revolution in Data-science. At Fse.ai, I worked with the core-team in creating the course content for AI training, conduct AI bootcamps and building the brand.

### Freelance Web Developer & Graphic Designer

[June 2018 – Present](#)

I freelance as a web developer and graphic designer, developing websites, UI/UX designs, branding and commercial designs.

### Web development Intern

[At Appmaker.xyz . July 2018 – August 2018](#)

At appmaker.xyz, I worked on building and optimizing the website for the products under production.

### Prototype developer intern

[Humble Innovations . June 2017 – Nov 2017](#)

Humble innovations is a startup working on building a solution to monitor the hygiene of public toilets has a great implication across India. Presently, the product has been deployed and in use across various state in the country.

## NOTABLE PROJECTS ([projects.yadev.co](https://projects.yadev.co))

**TravelX – Travelers' pillow**  
[travelx.yadev.co](https://travelx.yadev.co)

#### Recognitions

Selected among top 15 maker projects globally (Nanshan Entrepreneur Star Contest 2019)

Selected among top 30s of MakerMela 2018

**SBox – accident prediction**  
[sbox.yadev.co](https://sbox.yadev.co)

#### Recognitions

Received CERD project development fund from APJ Abdul Kalam Technological University

## LEADERSHIP EXPERIENCE

---

### Developer Student Clubs Lead

By Google Developers . September 2017 – November 2018

Developer Student Clubs (DSC) are community groups for students from any academic background in their undergraduate or graduate term. By joining a DSC, students build their professional and personal network, get access to Google developer resources, and work together to build solutions for local problems in a peer-to-peer learning environment.

#### Impact

- 220+ students trained
- 5 new leaders created
- 30 students certified in GCP
- 2 teams working on real projects
- 20+ students involved in developer communities
- Generated a new learning club

### Creatives head

Pehia Foundation . May 2018 – November 2018

Pehia Foundation is a non-profit working towards the cause of spreading technical awareness among females & gender minorities with special focus on bringing more into programming. I worked with the team to organize events and making creative works for outreach.

### Programs and Creatives head, Mozilla Kerala

Mozilla Foundation . October 2017 – December 2019

Mozilla Kerala is the regional Community of Mozilla Foundation, focusing on Open-source, Diversity & Inclusion and Learning. During my 2 years at Mozilla Kerala, I worked on organizing various events from meetups to hackathons, enabling young minds to learn, network and build solutions that solve every-day problems.
